

TO ALL THOSE SPECIAL PEOPLE AT THE AMBERS WHO CONTINUALLY MAKE SOUP EACH MONTH FOR OUR VULNERABLE CHILDREN AT LIDGETTON

A big thank you – words cannot express my appreciation for all the soup and food supplies plus cash that you send throughout the year. There was a large amount of biscuits, sweets and chips plus cash that was donated for the children’s Christmas party on the 26th November. Thanks especially to June Turner for organising the making of the material bags in which to hold the presents and biscuits etc. Fortunately it did not rain and we were able to have it outside the container. As usual the children had a wonderful time and I wondered how they found the space to consume cake, ice-cream, custard and chocolate sauce. They took home a bag of presents and biscuits and sweets for the family to share.

Special thanks must also go to the Teddy Bear Club who have given us so much support over the years with mittens, gloves, beanies and jerseys to keep the children warm in winter and who provided some wonderful knitted Teddy Bears for the Christmas gift bags.

A very Big THANK YOU to Hilary Vickers and Elise and Claude Hulley for so ably assisting with the collection reminder and transporting of the soup and other supplies to Lidgettton each month. I couldn’t do it without you,

I pray that you all have a joyous and peaceful Christmas with friends and family and may 2020 be a bumper year of more soup and food supplies for the vulnerable children. **With warm wishes and God’s special blessings.**
